

LAU Panopto Restore Archived Videos *Quick Guide*

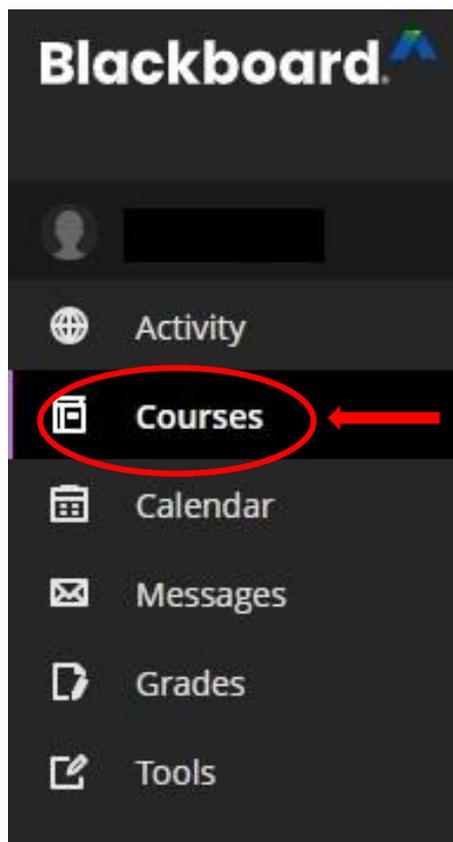

This quick guide explains how to restore archived videos in Panopto through the LAU eLearn platform. Follow the steps below to access and restore your archived recordings easily:

Step 1: Access eLearn

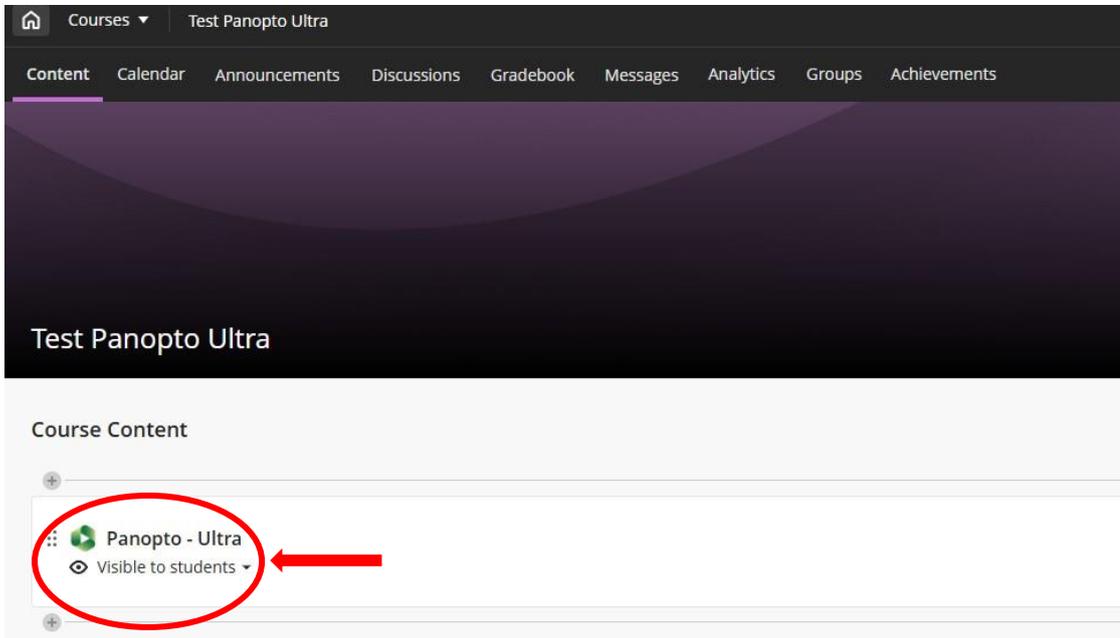

1. Open web browser
2. Go to <https://elearn.lau.edu.lb>
3. Log in using your **LAU credentials**.

Step 2: Select Your Course

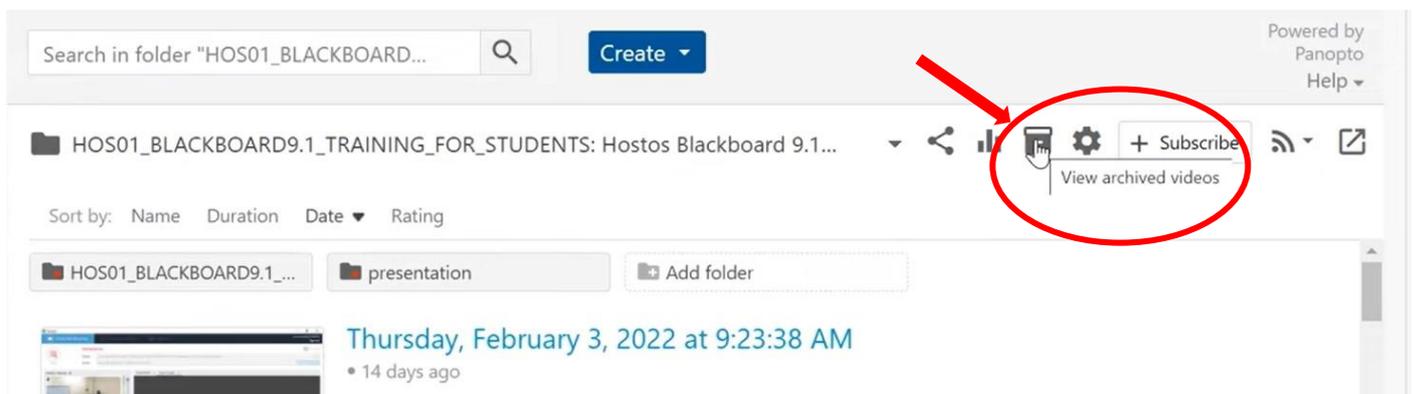

1. Select your **Courses**

2. Select the course where your Panopto recordings are stored
3. From the course menu, click **Panopto Ultra**

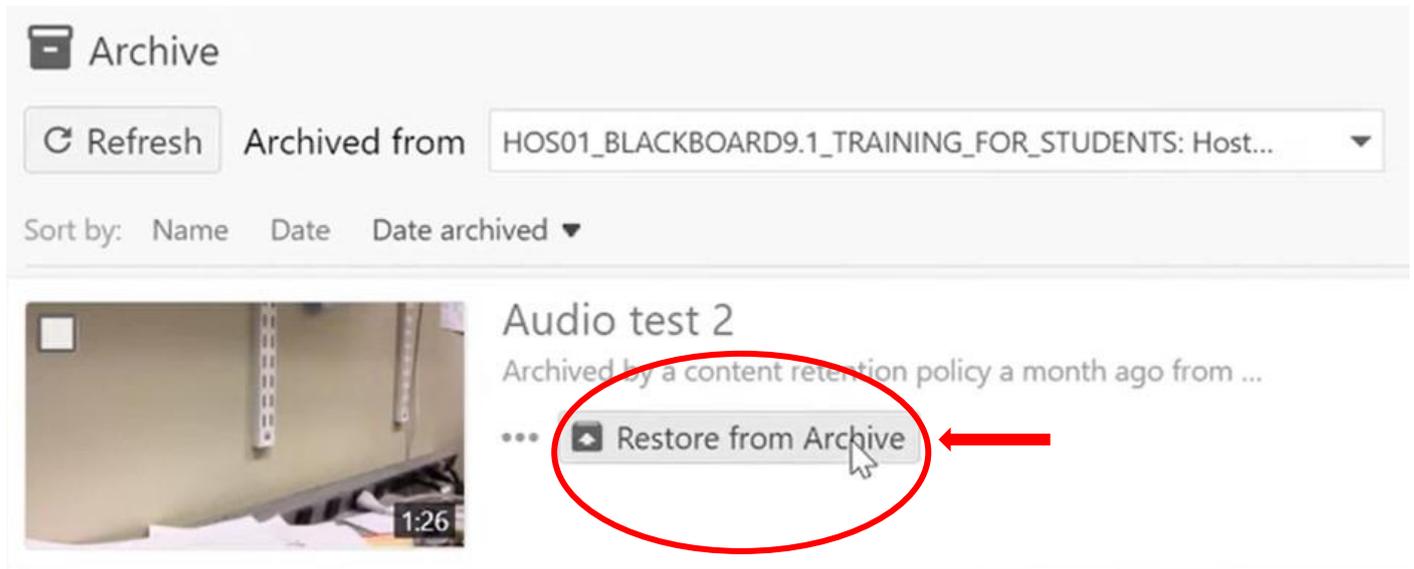

4. Select **view archived videos**

Step 3: Restore the Video

1. Locate the video you wish to restore
2. Click **Restore from Archive** next to the selected video

3. Once the restoration process is completed, the video will become available in the course.
